

K-LOVE is the only station I listen to on the radio (103.7 and 95.5) because it is family friendly 24 hours/day and the music is uplifting. I contribute monthly to keep it on-line--if it were to be displaced by an LPFM broadcaster, I and many others like me would not have this "family-friendly" (i.e. lack of negative, lack of swearing, good praise music) to listen to at all and we are very isolated with not much choice here. I believe K-LOVE provides a service very much needed by the public here in the Northwest which would not be available if it is displaced by an LPFM broadcaster. Please leave K-LOVE on the air. This is so little good we are leaving our children right now to watch and listen to. Sincerely, Constance J. Raines
